Dedication

To a great friend:

You have made our four years in high school enjoyable and pleasant ones. Through your encouragement, consideration, and understanding, we, the senior class, shall meet the future with choral capabilities, enthusiasm in playing our instruments, and innumerable memories.

Thank you for devoting your time and unfailing patience to enable us to appreciate and understand music better. We want you to know that you have our respect, admiration, and sincere gratitude.

In dedicating our yearbook to you, we want to say, "Thank you, Mr. Pellegrini!"

Class History

In the fall of 1958, our group entered the halls of North Lima for the last time as high school students. Back with us was Harry Arkwright. Yes, we were about to embark on the busiest year of our high school career. Under the able leadership of Mr. Ward, who helped to ease our problems, we sponsored record hops after the home basketball games, sold candy, pencils, pennants and plaques; with the aid of Mrs. Burge we edited the "Lima Lite," and with the guidance of Mr. Fabilli we published THE ECHO and we also sponsored the annual steak dinner. This year, under the direction of Mrs. Desimone, we chose "Finders Creepers," a mystery-comedy, as our class play. At midyear the last member of our class, Frank Zagotti, enrolled. Now we were forty-three. An outstanding event of the year was the new addition. We believe that the combination gym-auditorium is the "most" and we are eagerly looking forward to graduation as we will be the first group to hold graduation exercises in the new building.

Let's look back over the events leading up to this, our most important event . . .

For quite sometime many eager little people had been anxiously looking forward to a special day. Yes, that's right. First Grade!! Well, the long anticipated day in September of '47 had at last arrived. We ventured into a new phase of our lives not knowing quite what to expect. With the patient guidance of Mrs. Mentzer and Mrs. Laughlin, however, we became acquainted with our new surroundings. Eighteen members of our present senior class were in that first grade class.

In second grade Miss Wellman and Mrs. Laughlin were our capable teachers. This year our problems and our reading were a little more difficult. Margaret McMeans and Shirley Vitko joined our class.

Our third year was one of many new faces. Merle Bowen, Thelma Coler, Jim Connaughton, Julia Datson, Dick Dillon, Beverly Francis, Ed James, Deanna Mellott, Mary Belle Mills, and Roger Schindler helped to swell our class. Mrs. Haney and Mrs. Wetter guided us through the first difficulties of writing and English.

Mrs. Heinl and Mrs. Kulik were our teachers in fourth grade. Nancy Firestone, Bonnie Wilhelm and Lee Moore joined our class. At the end of the year we were all looking forward to fifth grade with the exception of Margaret McMeans, who left at the end of the year.

This year in the fifth grade we had our first money-making project under the guidance of Mrs. Griffiths and Mr. Steiner. We sold flower and vegetable seeds. We also had two new faces in our class, those of Ruth Ann Sigle and Bill Gasser. They helped to fill the gap left by Roger Schindler who left at the end of this year.

As sixth graders we "advanced" upstairs. Some of us had Mr. Steiner as our teacher again and the rest of us were across the hall in Mrs. Brady's room. We were very happy to say "Hi" to Margaret McMeans who had rejoined our class.

Junior high at last and with it the thrill of changing classes. Mr. Himes and Mr. Bohannes helped us through the confusion. We welcomed two new students into our class, Delmar Houser and Leonard Huffman. We all looked forward to the close of the year when we had our first class picnic in Mill Creek Park.

This was our last year of junior high and our last stop before high school. Mrs. Burge and Mrs. Erich were our sponsors. At the end of the year we all took the dreaded eighth grade tests and bid Jean Orr "Good-bye."

Freshmen! Gee, we felt grown up. We were naively happy. This year for the first time Freshman Initiation was outlawed. We had our homeroom in the study hall with Mr. Burkholder as our sponsor and we were happy to welcome Roger Schindler back into our class.

Our sophomore year was highlighted by our magazine sales campaign. Mr. Burkholder was our sponsor again and we still had the study hall as our homeroom. Bea Rouse joined our class along with Jean Orr who decided she just couldn't do without us. We were sorry to see Harry Arkwright leave at the end of the year.

We started our junior year with a bang when we received our long awaited class rings. It was at this time that Loretta and Jerry Grossen joined our ranks. For the third year we had Mr. Burkholder as our sponsor and the study hall for our homeroom. The last semester we had the candy sales and presented our class play "Off the Track" under the direction of Mrs. Desimone. Our biggest undertaking of the year was the Junior-Senior Banquet to which we devoted much of our time and efforts . . .

Now with commencement activities under way and our goal in sight, we are beginning to feel a pang of regret that one of the happiest times of our lives is fast drawing to a close. When we leave, we'll take with us many memories, happy and sad, that we will always cherish. Before leaving we would like to thank all those who have helped and guided us along the way and to welcome the Juniors to the "seat of honor."

Baccalaureate was the occasion initially demanding our serious attention. It also tested our endurance under our new caps and gowns. Attentively we listened to Reverend Dunnewold deliver the address.

. . . now once again it was time to march. Let's see now, start on the left foot, no, it must be the right. Here we go. Nuts!!! Everybody's out of step but me.

Class Poem

We wish to give to all of you
A gift that you'll ne'er forget
And we hope and pray with all our hearts,
'Twill be the best gift yet.

We'll wrap it up with kindness
And to bind our friendship dear
We'll tie the corners and our bonds,
With a beautiful ribbon of care.

We'll send it special delivery
And seal it with a kiss,
Deliver it across the horizon
Your door-step not to miss.

The day will come when you'll receive
This package from a dove.
The gift that stands for purity,
For inside, you see, is love.

This gift of love and kindness
We gladly give to you
For all your thoughts and deeds well done
Our underclassmen true.

Throughout the years we both have shared
In sorrows and in joys,
The girls have favored likeness
In teachers, music and boys.

The fellows share their shopwork
And autograph the books.
Make faces at the teachers
And brownie up the cooks.

Together both have gone to shows,
Banquets and record hops
We've attended the special dances
"Homecoming" was really tops.

The hour is now approaching,
The dawn is shining through
The seniors of '59
Are bidding all "adieu."

We hand in all our homework
And welcome the end of the year
Then suddenly we realize,
That Graduation's here.

There is nothing more for us to say,
Nothing more to do,
We only wish you all the luck,
Our underclassmen true.

CLASS FLOWER—Carnation

CLASS MOTTO—In ourselves our future lies
By our own efforts we hope to rise.

COLORS—Red and white.

We sat poised on the stage, warm and nervous, our tassels tickling our cheeks. Patiently we waited, the speeches, the introductions, the musical selections, the address, the award, and finally, at last,

. . . yes at last, we received our cherished diplomas.

Proudly we marched from the stage, new men and new women. But was this the end? Of course not. Now comes the hand shaking. Oh, that great line of friendly people!!!

Last Will and Testament

We, the May class of nineteen hundred and fifty-nine, realizing that we must soon don a dignified air and depart as North Lima graduates, feel this to be an opportune occasion to draw up our last will and testament. Not because we particularly desire to part with these treasured gifts, do we bestow them upon someone else, but because we have acquired a few characteristics which, if passed on and enlarged upon, will be of some benefit to our Alma Mater.

To Mr. Snapp, our splendid superintendent and friend, we leave a great appreciation for the opportunities he has opened for us and a great love and respect which have grown from our educational partnership.

We grant those sympathetic teachers—who have been instrumental in graduating us—the privilege of claiming all honors bestowed upon us after we enter the cruel world.

Not because we wish to part with him, but because circumstances insist, we leave to the class of 1960 a faithful sponsor, Mr. Ward, who has an oversupply of kindness for all struggling seniors.

To the class of 1960 we do assign our share of food and many well-fought-for places in the cafeteria line.

On this twenty-ninth day of May, we do hereby bequeath the following of our most treasured possessions to the underclassmen.

JERRY GROSSEN bequeaths to ED PERRY the power to make all fair dames' hearts flutter when he approaches. BEA ROUSE, the budding poet of our class, wills to the great lover of poetry, KEITH ARMENTROUT, her exceptional poetic talent. JIM KURTZ leaves his headaches as editor of the "Lima Lite" and a box of aspirin to SANDY OSTERLING. DICK DILLON leaves a lot of uncaught-up-sleep to JIM BROWN. DARLA SMITH wills her quiet ways to CAROL BREGAR. To JON CULP, JIM CONNAUGHTON leaves his rich tenor tones. ROGER SCHLINDER wills his fine?? penmanship to VINCE MELLOTT so that Mrs. Desimone will not cramp her smile trying to decipher his papers. LA UNA RICHARDS bequeaths her earrings to CAROLYN WHITE to use in marble contests. BILL GASSER leaves his arguing ability and his nickname of "Pudge" to BOB McCLAIN. To GARY MANCHESTER, JUDY MACK and FRANK ZAGOTTI will their love of pizza. DELMAR HOUSER wills his basketball skill to JOHN JAMES to enable him to be a varsity star in the future. DON SEIDNER leaves his cleverness on the basketball floor at pivoting to GEORGE KUGLER for the purpose of dodging slams and bangs thrown at him by Mr. Lucas in government class. MARY LOU JONES wills her unusual last name to anyone who desires it. To RHODA ZOOK, VALERA WEAVER bequeaths her vocal cords for screaming. LEE MOORE leaves to JERRY HOOVER his ability to drive with one hand. LAURA REED wills her neatness and her French Horn to DELORES JENKINS. Our heap big yell leaders, CAROL McGINNIS and RUTH ANN SIGLE leave their sturdy lungs and pep to BARBARA ROBERTSON. To DON SWOPE, WARD BROOKE leaves one-half can of Prince Albert and also his corn-cob pipe. LEONARD HUFFMAN wills his outstanding courage in doing experiments to EDDIE PFAU. To DAVE TILTON, HARRY ARKWRIGHT leaves part of his Ford—the rattle. JOHN McGREGOR wills his ability as an eraser thrower and his "gift of gab" to RONNIE PETERS. JANET THORNTON bequeaths her delightful giggle to LYNN GLASSFORD. We are sure it will be duly appreciated. MARGARET McMEANS leaves to MARCIA MacFARLEND, her height. MARYBELLE MILLS wills her many male admirers to VIRGINIA WEBER. DEANNA MELLOTT bequeaths her hard-earned detentions to PHYLLIS PLUMMER. BEVERLY SCHLOSSER wishes CAROL PRICE lots of married bliss. To BEVERLY KOONSE, MARY VANPELT wills her artistic talents. DAWN WHITFIELD gives her famous wisecracks and clever sayings to SHELIA HARSHMAN. BARBARA LAWLESS leaves her dislike for going to physical education class to PAT CASON. NANCY FIRESTONE flecks a bit of dust off her millon dollar personality and wills it to DENNIS KLINE. The glorious golden locks that have belonged to BONNIE WILHELM are to become the possession of RUTH MORSE, since Ruth is tired of being a brunette. JULIS DATSON leaves her agility as a dancer to BARBARS QUINBY. SHIRLEY VITKO leaves five packages of Spearmint Gum to DON MARINELLI. Directions are: one stick before each class. MERLE BOWEN wills his spontaneous blush to ROGER ALCORN. THELMA COLER and EILEEN WORK bequeath all the trials and tribulations of shorthand transcription to JANET NICHOLS. JEAN ORR wills her cute mannerisms to JEAN MacFARLAND. LORETTA GROSSEN graciously bestows upon JULIE HALL her many cheerful "Howdys." To JIM HETRIC, ED JAMES leaves his quiet and bashful disposition. JIM BLAKE leaves his fondness??? of economics class to GEORGE NOULETT.

Now that we have given all that we have to give, and we prepare to depart, let us be mindful of our obligations to our Alma Mater and let us profit by the lessons learned here. Let us always keep uppermost in our thoughts the ideals of North Lima.

Completion of the New Annex

The year nineteen hundred and fifty-nine was a milestone in the history of North Lima School. It marked the completion of the much-needed and long-anticipated high school addition. The structure was put into use in January of this year. Dedication ceremonies were held on February 15.

From early preparation and planning

. . . to last minute finishing . . .

. . . to opening night, cooperation was at its fullest. The result is a beautiful building for all to enjoy and benefit.

The building was constructed by Kaiser Construction Company of Canfield, Ohio, at a cost of over a quarter-of-a-million dollars. It contains a beautiful gymnasium-auditorium, a home economics room, band room, typing and office practice rooms, and four classrooms.

Junior Play

"Off the Track"

A fast train is derailed on a dark rainy night. The passengers must wait in a wayside railroad station. The crowd is thrown into pandemonium when rich Mrs. Vanderventer discovers that her $10,000 string of pearls is missing. Someone in the waiting room has them, but who? Miss Pidgie, with her natural tendency for sleuthing, looks for them and finally locates them in the most unexpected place . . . Mrs. Guarino's lunch basket. They decide to have a trial. It is discovered that Mrs. Vanderventer lost her pearls because the clasp on them was broken. The relief train arrives soon and everyone goes happily on their way.

Senior Play

"Finders Creepers"

Hercules Nelson and his pal, Wilbur Maxwell, are going to spend the weekend with Hercules's uncle, who they find out much to their horror, is an undertaker. They're all for heading home pronto, especially when they find there's another "guest" in the house, an old boy named Jason Quigley who "ran out of gas." His funeral is to be Monday. But when Wilbur spots Celeste he decides to stay. They discover Mr. Quigley isn't really dead. Someone tried to do away with him while he was asleep, so he evolved a plan: he'd make his family think he was dead, then show up at his own funeral and trap the guilty party. Wilbur and Hercules set out to solve the case. They mess up everything good. They get Uncle Bob mistakenly carted off to the klink and come face to face with the culprit. The boys finally escape and everything goes back to normal.

COACH
Mr. Hood

The North Lima Zippers Basketball team this year had a busy, exciting season, but score wise, not too successful. Record shows 2 wins—16 losses. They were coached by Vernon Hood and Keith West who developed these boys to a point where they gave their rivals some very tense and worried moments. We will miss you, Seniors, but we are confident that the remaining boys will keep up the great team spirit and have a very successful season next year.

Our reserve team gave their opponents a fighting battle this season with Keith West as their coach. There was never a dull moment with numerous overtimes and screaming crowds. With 7 wins and 8 losses as a good average, we are confident that our future team will give their opponents a good run for their money. Keep up the good work and great sportsmanship and best of luck next year.

Baseball

COACH
Ron Stoops

The North Lima baseball team had a fairly successful season this year under the capable leadership of Ron Stoops. We feel very proud of our team since we beat Jackson Milton, 6-2, for the first time in 5 years. Since we only had one senior this year, we should have a pretty hot team in the next three years. Best of luck!

Track

Graduating seniors Lee Moore, Roger Schindler, Dick Dillon, Jim Connaughton, John McGregor will be missed by the track team next year.

North Lima did not win any meets, however we had some fine individual stars such as Denny Klein who qualified and competed in the state track meet. Dick Dillon also qualified for the state meet.

All of the seniors qualified for letters along with Richard McGregor, Roger Cooley and Robert Ackerman. Dennis Klein was a winner of a 3 year trophy for winning letters all three years in track.

Jim Reed, Louis Day, John Minteer, Bill Robertson, Tim Hill, Ronnie Weaver, Ronnie Peters, and Bradley Colkitt also competed for North Lima in various track meets.

Makes you feel pretty important, doesn't it? You've come through twelve rough years of books and report cards, detention periods and childish ways — to find your future staring you smack in the face.

It's such an uncertain future—filled with nuclear fission and speeds faster than sound . . . big frightening hassles in the U.N. and trips into outer space.

But the most important thing is that this future we're talking about is YOU! You'll make it or break it, keep the peace or fight the wars, harness the atom for good, or use it to kill and maim.

Through your college years, into your professions and the homes you will build . . . our best wishes go with you, Graduate—we're depending on you!

BEAVER TOWNSHIP BOOSTER CLUB

The Beaver Township Boosters Club is an organization working for the betterment of Beaver Township generally and the North Lima School in particular. For the past nine years it has conducted many worthy projects and assisted in many others. Because of its efforts many community programs and facilities have been greatly improved. For example in the year 1957-58 its projects included:

1. $275.00 raised by the sale of Christmas trees for the High School Band.

2. $250.00 raised by sponsoring the Gun Show for stage equipment.

3. $400.00 raised by the Community Auction for stage equipment.

4. Dinner and trip to the Gustavus Adolphus-Youngstown University football game for the High School football squad.

5. Took the basketball squad to the University of Pittsburgh-Penn State basketball game.

6. Paid for movies of the 1957 North Lima-North Jackson football game.

7. Sponsored a square dance for benefit of Beaver Township Constables uniform fund.

8. Sponsored Troup 80, Boy Scouts.

9. Co-sponsored the Township Topics along with the School Mothers Club.

10. Conducted the 1958 Beaver Township Cancer Drive.

11. Conducted public meeting and discussions of such timely topics as Zoning, Water Service, Sewage, and the New Bank of Beaver Township.

Be a Booster for Beaver Township by Joining the Booster Club.

Senior Trip

Our trip to Washington, D.C., climaxed the years of joy, sorrow, sheer hilarity and what have you, that we have experienced together. Here is just a pictorial glimpse of our journey.

A fire-arm enthusiast type makes a futile attempt at self-annihilation at Gettysburg.

Major-General Firestone directs gun placements on the front.

Travelling afforded the opportunity of cultivating diversified pastimes.

In the Capitol, historic artistry did little to stimulate the boys' interest. Of course, they were a little sleepy . . .

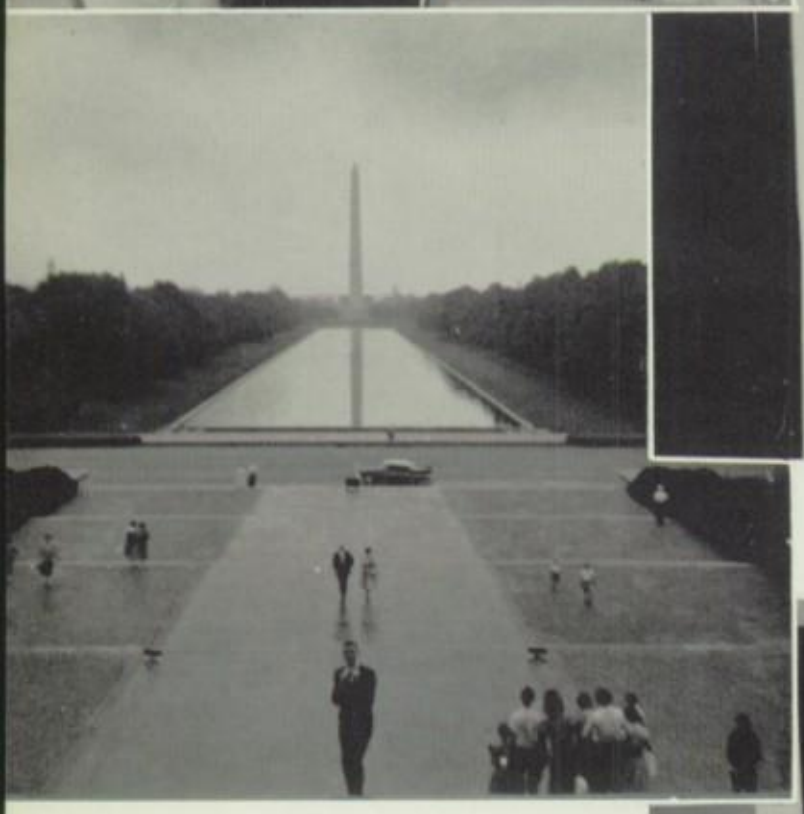
. . . but, girls, what's your excuse???

This is where we had our audience with the President.

This was put in here for the benefit of all the Seniors who were too sleepy to see it Wednesday morning.

Our pumpkin turned into a bus at 12:00.

Where's the house detective; somebody stole my bed!



After climbing the Washington Monument we took a refreshing dip in the pool.

Even movie stars stayed at our hotel.
